1. This is a petition for quashing of a private complaint. It is noticed that the private complaint is one which is triable as a warrant case instituted otherwise than upon a police report. The petitioner has approached this Court even before service has been effected. The procedure under Sections 244 & 245 is required to be followed in such cases. It would be premature to entertain such a writ petition. Petitioners will be at liberty to make an application for discharge under Section 245 of Criminal Procedure Code. Subject to such liberty to the

petitioners to apply in accordance with
law, the present petition is dismissed.
